AMERICA'S OLDEST CORVETTE CLUB

In July of 1956 in the East Bay, two Corvette owners, Johnny Zeh and Jerry Wright, waved & stopped to talk. Corvettes were few in numbers then & several weeks could pass before encountering another. These drivers discussed starting a Corvette Club.

By July 15, 1956, an informal meeting of Corvette owners decided to establish the Northern California Corvette Association. These early Corvette owners met frequently at each other's homes with their numbers increasing each month.

On March 28, 1957, an initial group of 35 met at Daily Chevrolet in Oakland to establish the by-laws. By then Josh Hogue, San Francisco Examiner's sports car event columnist suggested that this group combine with the one meeting at Les Vogel Chevrolet in San Francisco.

On **May 9, 1957** NCCA was incorporated & 40 members elected Roy Storey President. Roy was a TV & radio sportscaster & Corvette participant in SCCA's regional races. Sandy Greenblat was elected Vice

President, Patty Gellenbeck, Secretary & John Zeh, Treasurer. The charter membership for NCCA was closed at the end of May 1957 listing 47 members.

President Roy Storey suggested a series of autocross events named after Grand Prix races. NCCA presented Northern California's 3rd autocross. 150 cars drove the course at the Milpitas Ford Plant. This series set the standard for autocrossing in Northern California. Though Roy Storey was soon transferred to Hollywood by CBS, he helped NCCA to properly start as a competing club.

NCCA is still participating in autocrossing, drag races, track racing & car shows. The club is the oldest member of the Western States Corvette Council (WSCC), joining in 1966. We have evolved into more of a social club over the years with the focus on day & weekend trips. In recent years interest has increased in racing, with members taking trophies in drag racing and autocross and entering more and more open track days at Sonoma, Thunderhill, Weather-Tech Raceway at Laguna Seca and Button-willow race tracks.

NCCA celebrated its 50th anniversary in 2007 by inviting past presidents to a dinner dance where we shared memorabilia. Our calendar is filled each January with events for the coming year that include trips to an assortment of locations, car shows, our annual fall banquet, & Christmas party.

The club's signature annual event, **Vette Magic**, has traditionally been a two-day, all Corvette Car Show & Drag Races. It is sponsored and organized by NCCA each summer. In 2015, for the first time, in a major break with tradition, Drag Races for the **40th Vette Magic** were opened to all "Bowtie" (Chevrolet) and then in 2016 for the 41st, to all GM sedans and sports cars. Each year this event draws a large number of Corvette racers and spectators from Northern California & the surrounding states.

NCCA is a valuable member of our community, as we contribute to several charitable organizations each year through our charitable foundation.

General Business Meeting Minutes

Shirley Smith, Secretary

Wednesday, April 7 2021
7:00pm Meeting via Zoom

Roll Call of Members - 10 in attendance.

President: Tim Sullivan

Welcome members.

A motion was made to approve the minutes in last month's K and all approved.

No guests this evening.

With everything I have read recently, nothing is going to happen at Blackhawk Plaza.

Shirley went to the PO Box today and received 2 K's back in the mail. One K will be canceled and the other will have the address updated.

Shirley received the PO Box rental fee renewal today. It has been suggested that we possibly stop using the PO Box. We will continue to use the PO Box that we currently have. George will pay the rental fee for the next year. All agreed to keep the PO Box and pay the \$204.00 per year renewal fee due by the end of April.

We will need to start looking for another place to hold our car shows. I could check with the Brass Door in San Ramon, but parking for spectators would be limited. Not sure if this would work out. I can contact San Ramon Valley High to see if that could be a possibility.

Another possibility is the Livery shopping center in Danville as we used to hold car shows there in the past. The only issue was some of the stores were not happy with us taking up customer parking spaces in front of their shops.

Shirley is going to check the Aitken Senior Center in Castro Valley and maybe a few other places that could possibly work out.

Tim will contact Abel Chevrolet and talk to Derek about the K advertisement invoice. I can mention that we will make him our only dealership sponsor for the K. I will also mention that we will have the Abel band at our shows. Everyone really was happy with their music.

NCCA has a Facebook page.

We will be sure to put Legends on Display as Canceled on our page. We have a big following on Facebook. Scott will look into putting the URL code into the K so our members can reach our Facebook page easily.

VP Events / VP Motorsports / WSCC: Rob Andersen

Take Legends off our calendar. I have not had any contact at all with Blackhawk Plaza. If someone close by to Blackhawk plaza can please stop into the office to see if we can make contact with them, I would appreciate it. I have left multiple messages for the past 4 months with no response to phone calls or emails.

Should we keep trying Blackhawk? Or Should we look for another location?

If we are limited to the amount of guests at our car shows, we can't do much with a limit on how many people can attend. Between the people working the show and the cars that attend we would be way over the limitations.

Are car show events are considered a gathering/festival. It is possible that more will be opening up after June 15th. We can possibly have the Vette Magic car show in August. But it is still tentative.

Please take Legends car show off the calendars.

I will contact WSCC and have them remove it from their calendar. I am hoping that Tim, Gene or Denise can go by Blackhawk plaza offices to see what we can do.

I want to make sure we have paid the WSCC dues. Yes, per Tim and Gene they have been paid. George handled all of that.

Per Mary – the representative from WSCC will be sending out new forms each year, which will show the increase in fees, if they happen to raise them. They will forward the form to Rob and then Rob will send to Mary.

Per Tim – George is going to see Steve Ledson in a couple of weeks regarding Ledson Winery Corvettes at the Castle event.

Per Rob – We have to fill out paperwork for WSCC, as this is an event/gathering and we are inviting other WSCC clubs.

Secretary: Shirley Smith

Nothing new to report.

Treasurer: George Robinson/Gene Peters Assistant to the Treasurer

All information was sent to the E Board regarding our accounts. As you can see, there is no activity in the Charitable account and very little in the NCCA general account.

For the March bank statement – Mary made a deposit for \$80.00. One check was paid to Color Print in the amount of \$1330.30 for the invoices that I had not received. There are a few outstanding checks – 1 for Bruce for K mailings of \$117.79. 1 for WSCC for \$1250.00 and \$500.00 for membership.

There was a late penalty fee which I got them (WSCC) to wave pointing out that they never sent an Invoice or notice of it being due and when.

The first check was based on last year's individual dues which they raised this year but again, I could find no notice of such, so

the second check was for the difference. They have received both.

The increase does include the Directors insurance which we had been paying partially for separately, so that is a savings for us.

Our event insurance is at \$5million (I think).

General Account Balance- \$21,392.47
Charitable Account Balance - \$7,956.17

Membership: Maria (Mary) Coon

Mary has updated the address from the K that was returned in our membership roster.

I have updated the roster. I have added all the WSCC membership numbers to our roster for future use, thanks to WSCC representative helping out with the numbers that were missing.

Social: Harvey Grasso

Per Bruce Bourne. _ Occidental Run – I will try to go, but will not lead this year. Harvey has agreed to lead the run. This run has not been scheduled on the calendar. We need to contact the restaurant, bakery etc. to see if they are still open and if there is a limit on how many people we can have.

We may have to set limits for how many people can attend. Bruce requested that we make sure to arrange ahead of time, individual billings and that the guests are able to order off the menu. Harvey will check with the Union Hotel.

We will need to have a RSVP only on this event. We will make the calls to check on everything before scheduling this event.

Tim will check to see if the hotel is still open while he is in that area this weekend.

I have updated our calendar.

We have 5 events which have been changed to black font.

1 - Ledson Winery in October – This is still tentative!
2 - 3 events hosted by Stan Kraft covered by Corvettes of Lodi – Idol Beer Works run, Bella Piazza Run, and Harrah's Run.

3 - Vette Magic in August – This is still tentative!

Once I have the Occidental Run confirmed I will put the information out to the membership.

Publications: Scott Devine

Regarding the K – No new information.

I will update the calendar to show Legends is canceled.

George has mentioned to Gene that our biggest cost is the K. Currently we are sending out the K every other month. It was suggested we go to a quarterly K. Scott and Rob suggested that

we go to an online version only of the K. The cost for the K is approximately \$600 for printing and mailing the K for each month.

We are still running ads in the K from sponsors who have not paid. Since no revenue is coming in from our sponsors should we remove the advertisements until we have funds coming in? At this time we do not have someone to take over the sponsorship position, so no one is contacting the sponsors and following up on invoices for advertisements.

Mary suggested that we send a letter with the K's that go out to our sponsors, stating that this is the last K you will receive. If you would like to renew your advertisement, please remit payment with the invoice that was sent to you.

No report at this time.

Historian: Herb Clore

If you have any photos of you and your corvette wearing masks, we would like you to send them in to be used in the K.

It would be great to document this last year with these photos.

It is unfortunate we have all been subjected to this Covid 19 pandemic. We are lucky that no one in the club has had Covid.

If you would like to take a picture with your mask on with your corvette, please forward them to me.

Web Master – Dave Meccariello-No Report at this time.

New Business:
Per Bruce - I had a call from Ron Gray, to say hello.

He mentioned that we should put something in the K from 15 years ago or longer.

Tim suggested that he has binders at the shop going back to 1957 of the K. Tim suggested to Scott, to stop by and pick some of the binders up and use some of the articles or pictures for the K. Gene asked if we are going to a Quarterly K? Not at this time.

Tim and Scott stated we should stay as is currently, with every other month for the K at this time. All agreed to wait and take a vote next month on having a quarterly K.

Not sure what they are doing. Not much going on out there.

VP Events / VP Motorsports / WSCC: Rob Andersen
No new updates.

Secretary: Shirley Smith
Nothing new to report.
I have been looking into venues to hold the car show – It is still difficult to contact possible places to have our car show because of no response.

Most venues are not taking any calls or reservations in Alameda County. Some of the larger venues we would have to pay a fee to have access.
We would also have to talk to food trucks to come in and offer our guests something to eat.
We will have to wait another month or two to see what happens as far as Alameda County goes.

If we are having an in person meeting or a zoom meeting please let membership know at least 24 hours in advance.

Treasurer: George Robinson/Gene Peters Assistant to the Treasurer

Kai Spande, Bowling Green Assembly Plant Manager, joined us today at the 2021 Michelin NCM BASH to share Corvette Assembly Plant updates. To kick off the discussion, Spande mentioned that June 1st, 1981 was when the first Corvette was produced at the Bowling Green Assembly Plant. Since that historic day, there have been many performance changes and advancements. One of these advancements is Right Hand Drive. So far in 2021, 3.68% of the Corvettes produced were exports and 1.36% of exports were Right Hand Drive exports. Right Hand Drive Corvettes impact 56 jobs, 8 commodity differences, and require 526 RHD specific parts...

Rotary Club of Pacific Grove

A non-profit Event to benefit Pacific Grove youth and other local Rotary sponsored programs.

After hosting the only public event of Monterey Car Week in 2020, a socially-distanced rally drive through the rugged backroads of Monterey County, we are pleased to return to our traditional home in downtown Pacific Grove. Thank you to all who participated last year. We hope you will join us again in 2021.

Our annual event is geared for those enthusiasts who own, drive, or appreciate all cars, especially Vintage, Classic, Sports, and Luxury cars! The automotive marque for 2021 is that legendary muscle car of the 1970s, the Chevrolet Camaro. The Concours judges will present an award for the best Camaro.

In prior years awards were presented during a barbeque dinner after the drive. With uncertainty over required public health measures in August, we have canceled the 2021 dinner. Awards will be presented at the Drivers Meeting before the rally drive begins.

Registration and staging of participating cars begin at noon along Lighthouse Avenue in the heart of Pacific Grove. Spectators arrive throughout the day to view the staged vehicles and to watch them depart on the Rally Drive.

The Rally Drive will begin at 5:00 and follows a scenic route along the magnificent Pacific Grove and Pebble Beach shoreline. The Rally returns to downtown Pacific Grove. If you wish to dine at any of our fine restaurants, be sure to make reservations well ahead.
