THE PRESIDENT'S MESSAGE

According to the By-Laws of the NCCA, a nominating committee composed of five members will be formed by majority floor vote at the first business meeting in September. With this in mind be sure not to miss the NCCA meeting Sept. 5th at General Motors Training Center in San Leandro, as this will be the committee selecting candidates for 1968 officers.

Not only will the meeting be important it should be of special interest as we will have two guest speakers from the California Highway Patrol to give a talk on Smog and Safety.

Be sure to keep Sept. 17th free as our Social Director has a Winery Tour planned for that date.

The second NCCA meeting in Sept. will be on the 19th at Central Chevrolet, 4949 Thornton Ave., Fremont, Calif. at 8.00 P.M.

Monza Corvanna, the last Corvanna in the series for this year, will be held Sept. 24th at the Fremont Raceway.

Again I would like to ask all NCCA members to inform other Corvette owners that you see or meet about our association. I know there are a good number of non-club affiliated Corvette owners in Northern California that would be interested in joining NCCA, if only they know about our Association. One way they do get information is through CORVETTE NEWS in the club directory. This just isn't good enough as a lot of prospective members don't receive CORVETTE NEWS. I know I can speak from personal experience as it was almost three years after buying my Corvette before I found out about the NCCA. Let's talk about NCCA to every Corvette driver you think would make a good member and don't forget to use your business cards.

Congratulations to our newest members, Gene Bothello and Doug Newmaster, both of Auburn, who were brought into the club at our Corvanna August 20th. Also, we're happy to have back on the membership roster charter members, Jack and Hope Irasmith.

See you at the next meeting

Michael D. Irish
