THE PRESIDENT'S MESSAGE

The past month of October NCCA had two successful events.

The closed event was a fun filled two days for those of NCCA who attended. It was set up so you could make as many runs as you desired. Thanks to Jack and Hope Irasmith your president made a few trips around course in their 427 Fastback. Having driven the course I can only say that the NCCA Members that didn't attend really missed the boat. The Club will benefit from the event with five guests that will be applying for membership.

The combined Halloween and Surprise Party (Nick Viscusi's Birthday) at Rich Garner's home in Castro Valley was a smash hit as about 50 NCCA Members and Guests were there to enjoy the evenings fun.

Be sure to make a note of the Social Flyers in this Kaleidoscope.

See you at the NCCA meeting at General Motors Training Center in San Leandro, November 7th.

Congratulations to member Peggy Conway for whom the wedding bells will chime on November 25th.

Also keep in mind that Election Night for NCCA will be December 5th at G.M.T.C.

10/29/67 S.C.A.T. AUTOCROSS
BY KEN ALTMAN

Sunday morning and a little under the weather from our surprise and Halloween party of the previous nite and nothing to do, I decided to run an autocross without working it. There we were, myself and family talking to attending NCCA members Milt Piver, Jack and Hope Irasmith, Jeanne and Hal Doramus, Ron Trethan plus a not to be forgotten friend & member John Zeh. And don't let me forget prospective members Ashly Bovesh and Sue Hughes.

The course looked to be small and not up to the Corvanna Series, but interesting enough to run, so I did along with Hal and Milt. The course was wide but not fast, a first gear course with tricky turns which were well marshalled. The cars coming on course were handled the same. We enjoyed one practice and three time runs.

I didn't stay too long and when we left, Milt was on top in class. As for Hal and myself, we just enjoyed breaking in our new tires.

KEN ALTMAN.

Editors Corner:

Since this is my next to last edition, I will take up this space to say a couple of things.

First I want to thank Ken for the Article. As I have said at every meeting, If you have anything you want to talk about just write it down and I will put it in. So, if any other NCCA members want to write about, please do so, soon, as there isn't much time left to do it this year. something

Also I would like to take this opportunity to thank Richard Garner, For letting us have a Halloween and Surprise Party for Nick at his house. For those of you not attending the party, Rich entertained 40 or more of us in his "PERFECT PARTY PAD". Rich: we had a real swinging time.
