"THE LITTLE WHEEL"

Well, another month gone, but it was a good month, full of all kinds of things to do. Some of us went to the Diablo Valley Corvette Hayride. WOW! I think most of us had more fun there than we did at the Convention. Most of our people got "BLITZED" Saturday night. John Mah went looking for grasshoppers at 4 O'Clock in the morning. We never did find out for sure, why he was stumbling around in a cow pasture. John doesn't even know. The Swap Meet Sunday morning was fun. We even made some money.

There were approximately 120 Corvette people present, and it was well worth the \$9.00 per person. Thanks to Jim Pack and Diablo Valley Corvettes for a job well done.

If you don't know it now, you will when you read the Kaleidoscope, Mike & Lynne Irish came out of semi-retirement at the last meeting, rolled up their sleeves and pitched in to help the club. Mike is now the new Kaleidoscope Director. Thanks Mike and Lynne.

Don't forget there will be attendance awards given out at the end of the year. Every time you attend a club function, you receive a certain amount of points, depending whether you are on time or late. There is a minimum points requirement, so start attending all club functions, so we can see who you are. Have a good month.

Vice President's Report

Howdy Gang:

Not too much to mention this month on my part, other than the events listed below. Try to turn out for all NCCA events for Jerry Lockwood is keeping track of all events and all who show and take part from NCCA and at the proper time awards will be given to all or few or one who has accumulated the most points for attending the events. Only Jerry has the secret of how the points are to be dispursed, so keep on truckin and don't fall along the wayside, hang in there and you never can tell you may be the winner. Kid's Day was a great success, show, bag lunches etc. and Farrell's Ice Cream Parlo a gas. As usual, yours truly was the last to show but I got my ice cream just like the rest of the kids and it sure was good. If you didn't make it you missed a fun time. See you at the next Club event, it may be worth 100 points! !

"GABBY"

First of all I want to welcome Jerry Olson into our club. He's a nice guy and has a beautiful Vette.

Second I want to thank Mike and Lynne Irish for taking over the office of Editor of our paper. They have handled the office before so we should have some good Kaleidoscopes in the next months.

Now to get down to the fun activities of our club. Those of you that didn't attend the Diablo Valley Hayride and Campout missed a fun time. Those of us that went caravanned up in the late afternoon. Jerry and I took our truck & camper which was really loaded down with Corvette parts to swap & sell.

When we arrived we all registered and proceeded to set up camp across a rickity old bridge. It seemed later on that each club had its own Oak to camp under. Sleeping bags were all over the place. That evening we had a delicious meal. New York steaks, Corn on the cob, French bread and all the salad you could eat. John Mah got his firsts, seconds & thirds of everything. Right Stella? Of course NCCA was first in line again. Well then all the clubs settled down to some serious drinking and dancing to a live band. Oh, and of course the hayrides 4 or 5 wagons went out and as they came back you could sure tell who went on the rides. We all had more hay in and on us than scare-crows. The dancing and drinking went on until early, early morning.

People were up at dawn to shake out some more hay and eat breakfast. Orange juice, Bacon Eggs, toast and plenty of coffee were consumed. Then to the swap meet. It was all so much fun. I want to say that the Diablo Valley Corvette Club has some great people in it and some real good cooks. Thanks from all of us of NCCA. When's the next Bash?

Now the Captain Weber day fun and here's another thing you should have attended. We all met at Sambos at 6:00 A.M. to eat breakfast and leave to caravan to Stockton. There were 13 cars to drive up there and back to Trethans at noon for a great time. Drinking, eating, sunning and swimming until 8:00 P.M.. The Trethan's home and pool is beautiful. As my girls say, especially the pool. All of us (50 in all) that attended say Thank you, Ron & Sharon.

Hey! Have you seen Hope Irasmith's new car? Wow it's fantastic. A 1972 Eldorado - Blue and white with plush white leather interior. Thanks, Jack for taking me for a ride in it. As I told Jerry it reeks of sex and money, a hard combination to beat.

As many of you know Jerry bought me a 1957 Corvette for my birthday. It's a beautiful car but I do need some parts for it. If you have any of the parts listed below, please contact me.

Drivers side fender vent molding, all interior door knobs, front parking light molding, and glass radiator shroud +door panels (cherry).

Thanks a lot
Nancy "Gabby" Lockwood

SOCIAL

Judging from the amount of beer, soft drinks, and chicken consumed it would appear that everyone had a good time at the Captain Weber Day social at the Trethans. Thanks to everyone that attended, all that brought salads, etc. and to Ron and Sharon for letting us enjoy their territory. Who is missing a towel? We have one green/yellow bath size left over.

Don't forget to save August 6 for the Annual NCCA BEACH PARTY. The site will be Martin's Beach in San Mateo. Diablo Valley and North Bay have also been invited so should be a good football game this year. See attached flyer for details, plus I will also be calling to determine how many will be attending.

The Corvettes Of Southern California New Years Eve Ball will be September 2nd this year. They have offered lodging and airport pickup service. Tickets are \$4.50. Really a fun evening. Let me know if you are interested in going.

I must have reservations by August 10th for the POKER RUN that Corvettes of Fresno is having September 23 & 24. Don't miss this if at all possible. Really a delightful weekend with good people, good food and beautiful scenery.
